

Tanguy Vanderborght

*Head of Division Industry and Passive fire protection
and High-performance insulation Product Platform*

Tanguy graduated from the Université Catholique de Louvain as a Master of Business Engineering, specialised in finance. He also followed the Management Programme at Vlerick Leuven, and the Transition to General Management and the Leadership Development Executive Programmes at INSEAD.

Career

- Tanguy has 25 years of experience, all at Etex. He started out as a Corporate Finance Manager, steadily growing and expanding his responsibilities to a European level. Over this period, he's been active in and leading large and medium acquisitions of Etex, including Marley, Glynwed, Ivarsson and Creaton.
- In 2011, Tanguy became Integration Director of Siniat in Avignon, France, where he was fully responsible for the integration of this business unit within the organisation. Two years later he moved to Warsaw to take up the role of Managing Director of Siniat Poland.
- Tanguy started a new function as Head of the Building Performance division for the Central and Eastern European region in 2016. He led the Siniat and Promat brands and businesses, continued his role of Country Manager in Poland and took up a similar role in Romania and Ukraine.
- In 2018, Tanguy moved to Düsseldorf where, as head of the Building Performance division, he had full P&L responsibility for Germany and DACH as well as the CEE regions. In 2021, the UK and the Benelux regions were added to his responsibilities.
- Since April 2022, Tanguy is Head of Division Industry and Passive fire protection and High-performance insulation Product Platform.
